BYFORD CRICKET CLUB

PRESIDENTS REPORT

Season 1993/94 has to be written as one of the toughest seasons the club has had to face. A vacancy in 2A's saw the top side promoted & with this promotion came new & bigger challenges. Several players for different reasons would not be playing so directors had the task of finding replacements. Those found proved to be more than adequate. Unfortunately 'luck' was not on our side and in six of the fourteen scheduled rounds they lost by less than a dozen runs. They finished the season in last place with a two/twelve record.

Our 3B's were also given a promotion to 3A's and this was to produce one of the clubs toughest challenges. Players loss hit 3rd's severely and found us with no other option than to promote 5th grade players. Fortunately they bit the bullet and took on what challenges came. Thursday nights became one long torrid phone call session asking men if they could fill in and although sometimes successful, 3A's found themselves playing short of a full team on a regular basis. This was always going to be a strain on them and after a forfeit in rounds 2 & 11, losses from 11 games their captain decided to call it a day. Greg Petricevich stepped in and had an immediate success in bringing up 3A's only win for the season. Greg wanted to retire as captain then with a 100% record. To all those players that played for 3A's - thank you for your season. I hope to see you next season as it can only get better.

5th Grade (Dream Team) started their season late, with a forfeit in rounds 1 & 3. The task was well and truly ahead. After round two, Nick Proudfoot was given the job of captain. The club with a major player shortage crisis on its hand looked to the 'mouth of the south' to get a side together. He did and it was full of talent and humour. They brought the club some glory and after round 11, two forfeits, two losses and seven straight wins in the one day games saw them host the one day final at Briggs Park. The day was huge, with many people making their way down for a great outing. 5th Grade came out victors and glory was everywhere. However, the game was lost due to a technicality, but the winners piss tasted good and they had a bigger target in their sights. They continued on with thier good form and other than a big hiccup in round 13, saw them fill a place in the four. What challenges I thought were going to face they stood on and squashed. The rest is history. Two convincing wins to become Fifth Grade Premiers. Well done fellas.

As well as players there are others that need to be thanked.

The Board of Directors who once again have worked tirelessly on keeping the club functioning profit wise & social.

Deputy Chairman	Philip Dobson - his prescence at meetings & his experience & maturity has proved invaluable.
-----------------	--

Director of Registry	Andrew Barnes - Andrew again has taken on duties outside his own & has supported me with every challenge faced, his efforts have been exceptional.
----------------------	--

Director of Social	This position is always a tough one at a club of this size. Rodney Nairn has performed admirably . Most unfortunately the numbers this season were poor & considering this Rodney has produced profits & enjoyment above expectation.
--------------------	---

Director of House	Our Bar-man. Enough said !! The job is not as easy as it may seem. Stand behind the bar & get drunk with those on the other side, but its not that enjoyable Greg has most nights gets to bed after midnight & whilst everyone is at home he's refilling the fridge or driving near & far purchasing fluids for nights to come.
-------------------	---

Groundsman	Brian Kersley nominated himself to take on the task of groundsman. His duties marking pitch & oval are not technical but they are time consuming & I thank him for his even & consistent boundaries & his support to Rodney with social activities.
------------	---

I would also like to thank sponsors & donators to the club for their much appreciated support.

In closing, I hope this season reminds people of involvement, teamsmanship & perseverance & wish to see all players back next season keener than ever to enjoy their game of cricket !
